For tickets and additional information [click here](#).

To get the kamaaina discount via the [Blue Note website](#) click on the performance you'd like to attend, find the box near the top of the ticket purchasing page that says "access code". Put "mahalo15" in that box, click on "apply access code", and choose the type of ticket you want at the discounted rate. I have been taking advantage of this and have often been rewarded with complimentary tickets for the next show.
